

IMPERIAL TEEN

The Hair The TV The Baby & The Band (Merge)

GOING FOR ADDS 8.7.07

"Imperial Teen remain one of the most clever and underrated pop bands in the world." – Fluxblog

"In the five year interim between 2002's On and now, the band's been busy thinking of good names for their don't-call-it-a-comeback record, and indeed, they had no further to look than the concerns of the day-to-day. Jone Stebbins, with her hairstyling business, is the Hair; Roddy Bottum's work in the televised arts is the TV; Lynn Truell's had an active womb-life (hence the Baby); and Will Schwartz's side-act Hey Willpower is, natch, the Band." – Pitchfork

"'Shim Sham' is exactly what you'd expect out of these guys, with the same sugary sweet melody and wry wit you could find in any of their records ..." – thecultureofme
