

U.N.C.L.E., PIRATE, AND PSYCHOBABY ANNOUNCE THE

WILD WILD SXSXW AFFAIR Volume 3

HERES WHAT PEOPLE
HAD TO SAY
ABOUT LAST YEARS
SAMPLER:

"Not being able to go to SXSXW this year I was able to live vicariously through the UNCLE/Pirate Sampler! I've already been playing tracks from it! Not only did it tip me off to a bunch of great unsigned bands, but it also put me on a bunch of music I have been considering/already spinning on my show."

Robert Goodman (PD RadioIO.com & Specialty Programmer WPLA)

"The U.N.C.L.E. sampler's got cool unreleased track like THE EELS, music KNRK is already playing, like BEN LEE, and a ton of others. Already proving to be a useful tool." - *Jaime Cooley (APD/KNRK)*

**RECORD PLACEMENT ON THE COMPILATION IS PROFFERED
ALONG WITH INCLUSION IN ALL PRINTED AND ONLINE
MATERIALS, INCLUSION IN EVENT GRAB BAG AS WELL AS
LIMITED PROMOTION INITIATIVES FOR \$300 PER SLOT.**
